EVERMORE

What is your favorite place you have visited? I was in Phoenix this offseason. I would say it was one of my favorite places. Arizona has nice scenery. I do plan on going back.

Do you have any hidden talents? I can sing. My favorite genre is R&B for sure.

Who or what is your biggest motivation? Proving people wrong and proving to myself that I am who I think I am. I would say my biggest motivation is also the people in my circle; my daughter, my mom, my lady, my dad. The people who, no matter what type of game I go out there and have, are still going to love me regardless.

If you could have one food for the rest of your life, what would that be? I would probably say pasta – some chicken alfredo or something like that.

Did you have any nicknames growing up? They called me 'Speedy.' It is pretty self-explanatory. Everybody now calls me 'Key.'

What is your all-time favorite TV show? *Martin*. I have watched every episode probably at least two or three times.

Do you have a favorite movie? I am a big Marvel fan. I have watched every Marvel movie in order. If I had to choose, I would probably say *Captain America: Civil War*.

Originally from Fort Lauderdale, Florida, do you have a go-to spot, whether that is food or a place to visit back home?

Every time I go home, I always go check out Dutch Pot. It is a nice Jamaican spot down there. It is not expensive, and they fill you up. If you ever go down there, check it out. You are going to love it.

Favorite athlete growing up? Maybe someone you modeled your game after? I would say No. 1 was probably my dad and my big brother. I was also a fan of Kenny Moore.

If you could play another sport, what sport would you play? Tennis or volleyball. I am really good at volleyball. But I do want to get better at tennis. Volleyball is natural though.

Do you have a dream job post-football? Sports broadcasting. I want to host my own podcast and then feature on ESPN and NFL Network every now and then. I do currently have a podcast called *Situational Sit-Down*. It's a podcast I do in the offseason.

What is one thing not too many people know about you? I was in the Air Force for a year. I did basic training and then I was an airman. I went to the Air Force Academy first before I went anywhere else.
